CONFERENCES & SEMINARS

INCENTIVES

AT KITES WE MAXIMIZE THE CHANCES THAT YOUR CONFERENCE OR SEMINAR ACHIEVES ITS GOALS.

We help you choose that great venue... City hotels, chateaux, convention & congress centres, historical buildings, mountain chalets... From the ordinary to the extraordinary, the choices are limitless.

We manage and arrange the conference facilities thoroughly: capacity, access, lights, staging, special effects, audiovisual, décor and more..

We consult, advise and manage from start to finish — guest speaker, key message and theme, set-up — to ensure a common thread flows throughout.

We plan everything — logistics of arrivals/departures, meeting delegates, accommodation, conference programmes, free time (cultural, sportive, touristy outdoor activities, etc.)
